IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

In Case of Errors or Questions About Your Electronic Transfers: Call us at 877-770-BANC (2262) or write to us at Banc of California, N.A., 3 MacArthur Place, Santa Ana, CA 92707 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

CONSUMER BILLING RIGHTS NOTICE**KEEP THIS NOTICE FOR FUTURE USE**

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify us in case of errors or questions about your bill.

If you think something is wrong, or if you need more information about a transaction on your bill, write to us at:

Banc of California, N.A.

3 MacArthur Place

Santa Ana, CA 92707

In your letter, give us the following information:

- Account Information: Your name and account number.
- Dollar Amount: the dollar amount of the suspected error.
- Description of the problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors, and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

HOW YOUR INTEREST CHARGES ARE CALCULATED

Periodic INTEREST CHARGES for credit advances under your Credit Line will begin to accrue on the date credit advances are posted to your Credit Line. There is no "free ride period" which would allow you to avoid an INTEREST CHARGE on your Credit Line advances.

A daily INTEREST CHARGE will be imposed on all credit advances made under your Credit Line imposed from the date of each credit advance based on the "daily balance" method. To get the daily balance, we take the beginning balance of your Credit Line Account each day, add any new advances and subtract any payments, credits or unpaid INTEREST CHARGES. This gives us the "daily balance."

INTEREST CHARGES are determined by multiplying the "daily balance" by the "Periodic Rate" ("Periodic Rate" is the interest rate in effect divided by 365) times the number of days the Credit Line was at the balance, the result is truncated to two digits. The last day of the period (statement day) is always calculated as a separate day regardless of whether or not the balance changed. Then we add together the periodic INTEREST CHARGES for each day in the billing cycle. This is your INTEREST CHARGE calculated by applying a "Periodic Rate." The periodic INTEREST CHARGE is posted to the Credit Line on the last day of the billing cycle as part of the new balance.

CONSUMER CREDIT REPORTING

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IMPORTANT DISCLOSURES TO OUR BUSINESS AND NON-PERSONAL ACCOUNTS

The above provisions do not apply to business or other non-personal accounts. You must send us a written notice of the problem within a reasonable time, not to exceed 14 days from the date of discovery if your receipt of the first statement or notice reflecting the problem, whichever occurs first.

For purposes of these disclosures, our business days are Monday through Friday – Holidays are not included. To request a copy of a check presented against your account, please contact us at 877-770-BANC (2262).

IMPORTANT: Please examine this statement. If any error concerning the information contained herein, excluding a line of credit, is not reported to us within 30 DAYS, this statement will be considered correct.

IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

In Case of Errors or Questions About Your Electronic Transfers: Call us at 877-770-BANC (2262) or write to us at Banc of California, N.A., 3 MacArthur Place, Santa Ana, CA 92707 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

CONSUMER BILLING RIGHTS NOTICE**KEEP THIS NOTICE FOR FUTURE USE**

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify us in case of errors or questions about your bill.

If you think something is wrong, or if you need more information about a transaction on your bill, write to us at:

Banc of California, N.A.

3 MacArthur Place

Santa Ana, CA 92707

In your letter, give us the following information:

- Account Information: Your name and account number.
- Dollar Amount: the dollar amount of the suspected error.
- Description of the problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors, and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

HOW YOUR INTEREST CHARGES ARE CALCULATED

Periodic INTEREST CHARGES for credit advances under your Credit Line will begin to accrue on the date credit advances are posted to your Credit Line. There is no "free ride period" which would allow you to avoid an INTEREST CHARGE on your Credit Line advances.

A daily INTEREST CHARGE will be imposed on all credit advances made under your Credit Line imposed from the date of each credit advance based on the "daily balance" method. To get the daily balance, we take the beginning balance of your Credit Line Account each day, add any new advances and subtract any payments, credits or unpaid INTEREST CHARGES. This gives us the "daily balance."

INTEREST CHARGES are determined by multiplying the "daily balance" by the "Periodic Rate" ("Periodic Rate" is the interest rate in effect divided by 365) times the number of days the Credit Line was at the balance, the result is truncated to two digits. The last day of the period (statement day) is always calculated as a separate day regardless of whether or not the balance changed. Then we add together the periodic INTEREST CHARGES for each day in the billing cycle. This is your INTEREST CHARGE calculated by applying a "Periodic Rate." The periodic INTEREST CHARGE is posted to the Credit Line on the last day of the billing cycle as part of the new balance.

CONSUMER CREDIT REPORTING

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IMPORTANT DISCLOSURES TO OUR BUSINESS AND NON-PERSONAL ACCOUNTS

The above provisions do not apply to business or other non-personal accounts. You must send us a written notice of the problem within a reasonable time, not to exceed 14 days from the date of discovery if your receipt of the first statement or notice reflecting the problem, whichever occurs first.

For purposes of these disclosures, our business days are Monday through Friday – Holidays are not included. To request a copy of a check presented against your account, please contact us at 877-770-BANC (2262).

IMPORTANT: Please examine this statement. If any error concerning the information contained herein, excluding a line of credit, is not reported to us within 30 DAYS, this statement will be considered correct.

IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

In Case of Errors or Questions About Your Electronic Transfers: Call us at 877-770-BANC (2262) or write to us at Banc of California, N.A., 3 MacArthur Place, Santa Ana, CA 92707 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

CONSUMER BILLING RIGHTS NOTICE**KEEP THIS NOTICE FOR FUTURE USE**

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify us in case of errors or questions about your bill.

If you think something is wrong, or if you need more information about a transaction on your bill, write to us at:

Banc of California, N.A.
3 MacArthur Place
Santa Ana, CA 92707

In your letter, give us the following information:

- Account Information: Your name and account number.
- Dollar Amount: the dollar amount of the suspected error.
- Description of the problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors, and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

HOW YOUR INTEREST CHARGES ARE CALCULATED

Periodic INTEREST CHARGES for credit advances under your Credit Line will begin to accrue on the date credit advances are posted to your Credit Line. There is no "free ride period" which would allow you to avoid an INTEREST CHARGE on your Credit Line advances.

A daily INTEREST CHARGE will be imposed on all credit advances made under your Credit Line imposed from the date of each credit advance based on the "daily balance" method. To get the daily balance, we take the beginning balance of your Credit Line Account each day, add any new advances and subtract any payments, credits or unpaid INTEREST CHARGES. This gives us the "daily balance."

INTEREST CHARGES are determined by multiplying the "daily balance" by the "Periodic Rate" ("Periodic Rate" is the interest rate in effect divided by 365) times the number of days the Credit Line was at the balance, the result is truncated to two digits. The last day of the period (statement day) is always calculated as a separate day regardless of whether or not the balance changed. Then we add together the periodic INTEREST CHARGES for each day in the billing cycle. This is your INTEREST CHARGE calculated by applying a "Periodic Rate." The periodic INTEREST CHARGE is posted to the Credit Line on the last day of the billing cycle as part of the new balance.

CONSUMER CREDIT REPORTING

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IMPORTANT DISCLOSURES TO OUR BUSINESS AND NON-PERSONAL ACCOUNTS

The above provisions do not apply to business or other non-personal accounts. You must send us a written notice of the problem within a reasonable time, not to exceed 14 days from the date of discovery if your receipt of the first statement or notice reflecting the problem, whichever occurs first.

For purposes of these disclosures, our business days are Monday through Friday – Holidays are not included. To request a copy of a check presented against your account, please contact us at 877-770-BANC (2262).

IMPORTANT: Please examine this statement. If any error concerning the information contained herein, excluding a line of credit, is not reported to us within 30 DAYS, this statement will be considered correct.

IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS

In Case of Errors or Questions About Your Electronic Transfers: Call us at 877-770-BANC (2262) or write to us at Banc of California, N.A., 3 MacArthur Place, Santa Ana, CA 92707 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

CONSUMER BILLING RIGHTS NOTICE**KEEP THIS NOTICE FOR FUTURE USE**

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify us in case of errors or questions about your bill.

If you think something is wrong, or if you need more information about a transaction on your bill, write to us at:

Banc of California, N.A.
3 MacArthur Place
Santa Ana, CA 92707

In your letter, give us the following information:

- Account Information: Your name and account number.
- Dollar Amount: the dollar amount of the suspected error.
- Description of the problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors, and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

HOW YOUR INTEREST CHARGES ARE CALCULATED

Periodic INTEREST CHARGES for credit advances under your Credit Line will begin to accrue on the date credit advances are posted to your Credit Line. There is no "free ride period" which would allow you to avoid an INTEREST CHARGE on your Credit Line advances.

A daily INTEREST CHARGE will be imposed on all credit advances made under your Credit Line imposed from the date of each credit advance based on the "daily balance" method. To get the daily balance, we take the beginning balance of your Credit Line Account each day, add any new advances and subtract any payments, credits or unpaid INTEREST CHARGES. This gives us the "daily balance."

INTEREST CHARGES are determined by multiplying the "daily balance" by the "Periodic Rate" ("Periodic Rate" is the interest rate in effect divided by 365) times the number of days the Credit Line was at the balance, the result is truncated to two digits. The last day of the period (statement day) is always calculated as a separate day regardless of whether or not the balance changed. Then we add together the periodic INTEREST CHARGES for each day in the billing cycle. This is your INTEREST CHARGE calculated by applying a "Periodic Rate." The periodic INTEREST CHARGE is posted to the Credit Line on the last day of the billing cycle as part of the new balance.

CONSUMER CREDIT REPORTING

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IMPORTANT DISCLOSURES TO OUR BUSINESS AND NON-PERSONAL ACCOUNTS

The above provisions do not apply to business or other non-personal accounts. You must send us a written notice of the problem within a reasonable time, not to exceed 14 days from the date of discovery if your receipt of the first statement or notice reflecting the problem, whichever occurs first.

For purposes of these disclosures, our business days are Monday through Friday – Holidays are not included. To request a copy of a check presented against your account, please contact us at 877-770-BANC (2262).

IMPORTANT: Please examine this statement. If any error concerning the information contained herein, excluding a line of credit, is not reported to us within 30 DAYS, this statement will be considered correct.

In your letter, give us the following information:

- Account Information: Your name and account number.
- Dollar Amount: the dollar amount of the suspected error.
- Description of the problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors, and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

HOW YOUR INTEREST CHARGES ARE CALCULATED

Periodic INTEREST CHARGES for credit advances under your Credit Line will begin to accrue on the date credit advances are posted to your Credit Line. There is no "free ride period" which would allow you to avoid an INTEREST CHARGE on your Credit Line advances.

A daily INTEREST CHARGE will be imposed on all credit advances made under your Credit Line imposed from the date of each credit advance based on the "daily balance" method. To get the daily balance, we take the beginning balance of your Credit Line Account each day, add any new advances and subtract any payments, credits or unpaid INTEREST CHARGES. This gives us the "daily balance."

INTEREST CHARGES are determined by multiplying the "daily balance" by the "Periodic Rate" ("Periodic Rate" is the interest rate in effect divided by 365) times the number of days the Credit Line was at the balance, the result is truncated to two digits. The last day of the period (statement day) is always calculated as a separate day regardless of whether or not the balance changed. Then we add together the periodic INTEREST CHARGES for each day in the billing cycle. This is your INTEREST CHARGE calculated by applying a "Periodic Rate." The periodic INTEREST CHARGE is posted to the Credit Line on the last day of the billing cycle as part of the new balance.

CONSUMER CREDIT REPORTING

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IMPORTANT DISCLOSURES TO OUR BUSINESS AND NON-PERSONAL ACCOUNTS

The above provisions do not apply to business or other non-personal accounts. You must send us a written notice of the problem within a reasonable time, not to exceed 14 days from the date of discovery if your receipt of the first statement or notice reflecting the problem, whichever occurs first.

For purposes of these disclosures, our business days are Monday through Friday – Holidays are not included. To request a copy of a check presented against your account, please contact us at 877-770-BANC (2262).
